PRODUCER NOTES

Welcome to SMASH Productions *The Addams Family*. This show has been a true pleasure to bring to the stage with our dream team that has become a not so creepy and kooky family. The humor and music in this show kept us laughing as we planned and developed the show for your enjoyment. And we are right in time for the Halloween Spirit!

Thanks to Bob Stehman, our dedicated Director, who has worked tirelessly to create a spectacular show from our talented actors including The Addams Family and The Beinekes plus the special group of Ancestors or the Ghost Chorus.

Thanks to our brilliant production team including Mary Ann Rockenbach, Musical Director, for bringing this special score to life and for her vocal coaching; Barbara Byers, Choreographer, who created all the dances especially for the Ancestors and Barry Corlew, Stage Manager, who puts everything together onstage and backstage. SMASH Productions thinks it is important to support live music for the best live theatre experience.

The impressive set design and build was created by a group of Villagers led by Bill Tanner and Gg. Every aspect from building the mansion to developing the props and painting the set has been a real coordinated effort started almost a year ago.

A portion of show profits will be donated to the Villages Honor Flight and YOUR Humane Society SPCA. SMASH has worked with both of these charities since our first show in 2016 and is proud to support these charitable organizations.

Watch SMASH Productions in April 2024 for *A Funny Thing Happened on The Way to the Forum*, one of Stephen Sondheim's earliest musicals. It has "something for everyone, a comedy tonight!"

Thank you for attending SMASH Productions' shows over the years. As long as you support us, we will continue to entertain you!

DIRECTOR NOTES

Yes! ALL the characters you have grown up knowing and loving from cartoons, the iconic 60's TV show, major motion pictures, Netflix hit series "Wednesday", now come to life in Broadway's 2010 *The Addams Family, A New Musical Comedy*.

Gomez, Morticia, Wednesday, Pugsley, Uncle Fester, Grandmama and Lurch and 10 of the family's favorite dead ancestors join together as a family of weirdos who have a taste for the dark and macabre, yet have cheery, very likeable dispositions.

In this version of the Addams saga, Wednesday, the ultimate princess of Darkness, has grown up and fallen in love with Lucas, a sweet young man from a respectable "normal" family. This is a young man and his parents, Alice and Mal Beineke, who Morticia and Gomez have never met. And guess who's coming to dinner? It's the first time in Gomez's life he has kept a secret from "the love of his life", Morticia. As the story progresses, you will witness the secrets that are revealed, how lives are changed forever and of course, the hope that LOVE conquers all!!

This has been an exceptionally beautiful experience for me as a director because of the stellar, professional, talented, seasoned cast who sing, dance and act their way across the stage combined with a fantastic and incredibly creative production team. This truly has been a team effort to bring this musical to life with a gloriously designed set, live band and all the ghoulish delightful sights and sounds you will enjoy at this performance. From the bottom of my heart, I sincerely thank each and every one of you!

And on behalf of SMASH Productions, I thank you, the audience, for supporting our production. Sit back, relax and enjoy *The Addams Family, A New Musical Comedy*!!
